EDUCATION

B.Sc. in Computer Engineering <i>Sadjad University of Technology</i>	Sep. 2016 – Sep. 2020 <i>Mashhad, Iran</i>
<ul style="list-style-type: none">• Last-two-year GPA: 19.32/20 (3.96/4)• CGPA: 17.85/20 (3.64/4)• Thesis: Model-Based Collaborative-Filtering Recommender System to recommend top 5 movies for all users• Thesis Grade: 19/20 (4/4), under the supervision of <i>Dr. Javad Hamidzadeh</i>	

AWARDS AND HONORS

- **Ranked 2nd GPA** among the graduating class of 168 students at the end of Bachelor's, *Computer and Information Technology Department, Sadjad University of Technology, Mashhad, Iran*, 2020
- **Reached final stage** of the 25th **National Computer Olympiad** in Iran (the final competition was not held due to the COVID-19 pandemic), *Mashhad, Iran*, 2020

RESEARCH INTERESTS

- Machine Learning
- Deep Learning
- Pattern Recognition
- Computer Vision
- Recommender Systems

SELECTED COURSES AND GRADES

- **Artificial Intelligence**, *Dr. Reza Shamsaei*, 20/20 (4/4)
- **Computational Intelligence**, *Dr. Amir Farid Aminian Modarres*, 20/20 (4/4)
- **Multimedia Systems**, *Dr. Boshra Rajaee and Dr. Behzad Bakhtiari*, 20/20 (4/4)
- **Data Mining**, *Dr. Javad Hamidzadeh*, 20/20 (4/4)
- **Computer Vision**, *Dr. Amir Farid Aminian Modarres*, 19.85/20 (4/4)

TEACHING EXPERIENCE

- **Course Instructor**
Mobile Application Development with Flutter [[YouTube](#)] May 2020 – Jul 2020
Part-Time
- **Teaching Assistant**
Sadjad University of Technology, Mashhad, Iran Sep 2017 – Jan 2020
Part-Time

(Tutored and guided over 400 students for a total of approximately 170 hours)

 - Artificial Intelligence, under the supervision of Dr. Reza Shamsaei (2 separate classes)
 - Algorithm Design, under the supervision of Dr. Javad Hamidzadeh (2 separate classes)
 - Algorithm Design, under the supervision of Dr. Mahdi Salkhorde Haghghi (1 class)
 - Discrete Mathematics, under the supervision of Dr. Saeed Yazdaniyan (2 separate classes)

INDUSTRY EXPERIENCE

- **Data Mining and Machine Learning Engineer** Feb 2021 – Present
Khorasan Science and Technology Park [[website](#)] *Full-Time*
 - Gained experience with the most popular Data Science libraries in Python, such as NumPy, Pandas, Scikit-Learn, TensorFlow, Matplotlib, Seaborn, and many more, to manipulate and analyze the data, preprocess and visualize the data, train and test the models, and deploy them
 - Handled SQL queries from Python on different RDBM's, such as MySQL, SQL-Server and SQLite
 - Developed Python scripts to automate installation and execution of some projects as a Windows service or Linux daemon, or running them on a Docker container

- **Flutter Developer** Jan 2020 – Sep 2020
Arashweb LLC. [[website](#)] *Internship*
 - Developed a mobile application in the field of literature and Iranian poets from scratch
 - Used the cutting-edge techniques such as JWT token-based authentication and BloC design pattern

LEADERSHIP EXPERIENCE

- **Head of article layout team** at executive committee in the 6th Conference on *Signal Processing and Intelligent Systems (ICSPIS 2020)*, Sadjad University of Technology, 2020 [[website](#)]
- **Executive team leader** at 5th *Sadjad I/O event*, Sadjad University of Technology, 2018

ACADEMIC PROJECTS

Internet of Things course | *C, Python, Django, Flutter* [[GitHub](#)]

- Designed and developed an intelligent system to monitor and control a remote greenhouse
- Track and control hardware via mobile application, Telegram bot, and text message (SMS)

Multimedia Systems course | *MATLAB* [[GitHub](#)]

- Implemented a speech recognition application in MATLAB to recognize different audio categories with supervised learning, using SVM classifier
- Used MATLAB app designer to create an application with user interface

Computational Intelligence course | *MATLAB, Python* [[GitHub](#)]

- Developed several neural network algorithms, including Genetic, MLP, Adaline, and Perceptron

Web course | *ASP.NET MVC5, HTML, CSS, JavaScript* [[GitHub](#)]

- Developed a website with authentication and authorization methods, email service, input validation, security control, database management, and CRUD operations in the admin panel

SEMINAR AND WORKSHOPS

Workshop Participation

- **Deep Learning for Image Processing**, 6th Conference on *Signal Processing and Intelligent Systems (ICSPIS 2020)*, Sadjad University of Technology, one-day online workshop, 2020
- **Principles of Writing a Scientific Paper**, Dentistry Department of Ferdowsi University of Mashhad, two-week online workshop, 2020

Course Presentation

- **Computer Vision course:** Presented a paper called “A computer vision system for defect discrimination and grading in tomatoes using machine learning and image processing”, 2020
- **Internet of Things course:** A presentation was given on “what is API and how to connect a mobile application to embedded hardware core”, 2020
- **Seminar course:** A presentation was given on “React-Native vs. Flutter framework for mobile application development”, 2019

CERTIFICATES

- **Machine Learning in Python with Scikit-Learn** by *Inria* on *France Université Numérique MOOC Platform*
Certificate earned on June 15, 2021 [[credential](#)]
- **Machine Learning** by *Stanford University* on *Coursera*
Certificate earned on May 30, 2021 [[credential](#)]
- **Mathematics for Machine Learning** by *Imperial College London* on *Coursera*
Certificate earned on November 29, 2020 [[credential](#)]
- **Statistics with Python** by *University of Michigan* on *Coursera*
Certificate earned on November 19, 2020 [[credential](#)]

TECHNICAL SKILLS

Programming Languages:

[Python](#) [MATLAB](#) [Dart](#) [C++](#) [SQL](#)

Data Science Libraries:

[Scikit-Learn](#) [Pandas](#) [NumPy](#) [Matplotlib](#) [Seaborn](#) [Streamlit](#)

Web and Application Frameworks:

[Flutter](#) [Flask](#) [ASP .NET](#)

Softwares and Tools:

[Anaconda](#) [Jupyter Notebook](#) [Visual Studio](#) [Arduino](#) [Microsoft Office](#) [Postman](#) [Git](#)

VOLUNTEER WORK

- Member of *Sadjad I/O* Student Group (student group to hold scientific events and conferences with the help of university faculty members), *Sadjad University of Technology*, 2017 – 2019
- Member of *Baran Charity* Student Group (student group to help homeless children with educational programs), *Sadjad University of Technology*, 2016 – 2018 [[website](#)]

LANGUAGE

- **English:** Professional Working Proficiency
 - IELTS Academic will be taken on October 30, 2021
- **French:** Elementary Proficiency
- **Persian:** Native Proficiency
